MISSISSAGA STREET ORILLIA, C.W.

ORILLIA.—This romantic and picturesque village is situated on Lake Couchiching in the Township of Orillia, in a fine, healthy section of country, alike celebrated for its lovely scenery and its excellent fishing and sporting grounds. The tourist, wishing to extend his route to the far-famed Muskoka Lake with its wild and rugged scenery and picturesque falls, will leave the "Emily May" at this point, and take the steamer "Fairy," which runs daily during the summer for the Severn river, touching at the Indian village of Rama and McPherson's Landing. At the Severn, stages are taken to Muskoka Bay, where connection is made with the steamer "Wenonah" (A. P. Cockburn, proprietor,) for the celebrated Muskoka Lake. A stage also runs summer and winter for the falls, twice a week.

Orillia, in 1831, was an Indian Settlement. The British Government during that year made a treaty with the Chippewas for a village site on the same spot, and at once built a Council Room, an Episcopal Church, a School-house, and about sixteen log houses, and a larger and more substantial house of the same material for the chief's private residence. The chief, William Yellowhead, died about a year ago, and is buried in the Episcopal churchyard. The old house is now, after great alterations and improvements, used as the Episcopal Parsonage.

In 1838, a petition was made by the whites for a landing, which was granted, and in 1839 a second petition was forwarded to the Government, requesting the removal of the Indians to Rama, in Ontario County. This was also granted, and a village was built for them, a church, school-house, and other requirements. Thus the whites remained in entire possession of the present site of Orillia.

Gerald Alley, Esq., was the first white settler. In 1835, only six white families resided in the village, viz., Robert Bailey, Andrew Moffatt, Neil Morrison, Michael Bowers, Jacob Gill, and John Rowe, storekeeper. Robert Bailey, Neil Morrison, Andrew Moffatt, and Michael Bowers, are the oldest settlers living here now.

About the year 1836 the Post Office was established, Gerald Alley, Esq., being appointed postmaster, the mail having been carried previously from Barrie, a distance of 28 miles, by one Thomas McCausland.

Orillia contains three Churches. The Episcopal church is a handsome edifice of stone, the interior of which, with its stained windows and arched roof, has quite an imposing effect. Rev. A. Stewart, M.A., Rector.

The Canada Presbyterian Church is built of frame at a cost of $2,500, and opened in March 1862. This is also a neat and commodious building, with a comfortable manse adjoining it, which cost about

$1,500. The church is under the pastoral care of the Rev. John Gray.

The Wesleyan Methodist Church, the smallest of the three, was built in 1858, of frame. Rev. Thomas Feathers pastor, and Rev. James Woodsworth, assistant.

There is also a Roman Catholic Church a short distance from the village, on the Coldwater Road. The priest, Rev. Mr. Campbell, resides in [illegible].

There is a good Common School, with an average attendance of 100 scholars; D. M. Malloch, teacher, and Miss [illegible], assistant. Mrs. King also conducts a select school at her residence.

The Sons of Temperance have a fine hall in the village. Orillia Division No. 122, meet on every Tuesday evening. The officers are James Jackson, M.P., and J. C. McMullen, R. S. The hall, which is 66 × 24 feet, is also used for various purposes, musical and otherwise. The Loyal Orange Lodge No. 296 hold their meetings the first Thursday in every month. A. Kerr, master; R. Jones, secretary.

Orillia is supplied with three excellent hotels, being in accommodation and comfort fully equal to any hotels in Canada West. The "Temperance Hotel," situated on the lake, has lately been enlarged. From the balcony, which is built on the top of the roof, 16 × 66 feet, a beautiful view is obtained of the lake Orillia, and the surrounding scenery.

The "Stafford House" is a fine new building, also near the lake. This hotel, when completed, will be one of the largest hotels in Canada, and for elegance of design and interior fitting up is second to none.

In the centre of the village Mr. Ross is conducting a good hotel, called the "Orillia House." The traveller need only give him a call to satisfy himself of the excellence of his house.

There are about 21 stores, some of them fully equal to the retail establishments of much larger towns. Amongst the most prominent may be mentioned those of the firm of Mulcahy & Cashman, O'Brien & Co., [illegible]'s Montreal store, John Ward's general store, Thos. Goffatt, agent Hon. Hudson's Bay Company, and general men's mercery and millinery establishment. Wesley Bingham also carries on the grocery trade in connection with his tinsmithing business.

Blacksmithing is extensively carried on in all its branches by Wm. Ramsay and Wm. Tudhope.

Mr. Samuel Wainwright carries on an extensive business, turning out from 1,500 to 2,000 sides per year. He uses a steam engine of six horse power and employs four hands.

The 6th Division Court is held here, Mr. Thomas Dallas, clerk.

There are two steamboats for freight and passengers, the "Emily May" and "Ida Burton," also a tug boat, the "Venus," on Lake Simcoe. As before mentioned, the small steamer "Fairy" plies between Orillia and the Severn once a day.

A volunteer company has also been lately organized. The officers are H. M. Darling, Captain; J. W. Slaven, Lieutenant; T. C. Noble, Ensign; John C. McMullen, Color Sergeant; George Tite and John Leitch, Sergeants.

There is a Branch of the Provincial Lunatic Asylum in this village, it was originally built for a hotel, and was purchased by Government before finished as such, consequently it necessarily has many errors in its construction for a Lunatic Asylum. The superintendent and Mr. Kivas Tully, the Architect, deserve considerable credit for altering and adapting it to the purpose. The building which is built of brick and heated by steam, is three stories high with attics, and presents a centre and two projecting wings front 118 feet. The wings of the building project 16 feet, leaving a space in the centre of 68 feet; between the projections are verandahs 10 feet wide, divided so as to separate male and female patients, who number about 140, the rooms being railed in with iron rods. In summer these verandahs add greatly to the tranquil pleasure of the patients, the view being extensive and varied, taking in the village, lake, and islands.

The general effect of the building is dignified and imposing. It is situated on Lake Couchiching. The officers are John Ardagh, M.D., M.R.C.S., Superintendent; F. Fraser, clerk; George Badgley, Steward; Miss Jane Douglas, matron; besides seven or eight keepers, male and ten female.

The rise and progress of Orillia has hitherto been necessarily slow, from the fact of (until recently) there being an immense amount of country to the north unsurveyed and unimproved. The opening up of roads for nearly 100 miles north has given the village a wonderful impetus. The enterprising firm of Cockburn & Co. have built the steamer "Wenonah" on Muskoka Lake, and otherwise contributed materially to the advancement of the northern section of country, which seems to make Orillia a flourishing village. The citizens expect their village to be selected as the site for the new county town, and are also in anticipation of having telegraph communication with Barrie and Toronto. Quite a number of pretty villas are situated in and about this village. Population 1000.

MISSISSAGA STREET ORILLIA, C W

ORILLIA.—This romantic and picturesque village is situated on Lake Couchiching, in the Township of Orillia, in a fine healthy section of country, alike celebrated for its lovely scenery and its excellent fishing and sporting grounds. The tourist, wishing to extend his route to the far-famed Muskoka Lake, with its wild and rugged scenery and picturesque falls, will leave the "Emily May" at this point, and take the steamer "Fairy," which runs daily during the summer for the Severn river, touching at the Indian village of Rama and McPherson's Landing. At the Severn, stages are taken to Muskoka Bay, where connection is made with the steamer "Wenonah" (A. P. Cockburn proprietor,) for the celebrated Muskoka Lake. A stage also runs summer and winter for the falls twice a week.

Orillia in 1831 was an Indian Settlement. The British Government during that year made a treaty with the Chippewas for a village site on the same spot, and at once built a Council Room, an Episcopal Church, a School-house, and about sixteen log houses, and a larger and more substantial house of the same material for the chief's private residence. The chief William Yellowhead died about a year ago and is buried in the Episcopal churchyard. The old house is now, after great alterations and improvements, used as the Episcopal Parsonage.

In 1838 a petition was made by the whites for a landing, which was granted, and in 1839 a second petition was forwarded to the Government, requesting the removal of the Indians to Rama, in Ontario County. This was also granted and a village was built for them, a church, school-house and other requirements. Thus the whites remained in entire possession of the present site of Orillia.

Gerald Alley, Esq., was the first white settler. In 1836 only six white families resided in the village, viz., Robert Bailey, Andrew Moffatt, Neil Morrison, Michael Bowers, Jacob Gill, and John Rowe, storekeeper. Robert Bailey, Neil Morrison, Andrew Moffatt, and Michael Bowers, are the oldest settlers living here now.

About the year 1835 the Post Office was established, Gerald Alley, Esq., being appointed postmaster, the mail having been carried previously from Barrie, a distance of 28 miles, by one Thomas McCausland.

Orillia contains three Churches. The Episcopal church is a handsome edifice of stone, the interior of which, with its stained windows and arched roof, has quite an imposing effect. Rev. A. Stewart, M.A., Rector.

The Canada Presbyterian Church is built of frame, at a cost of $2,500, and opened in March 1852. This is also a neat and commodious building, with a comfortable manse adjoining it, which cost about

$1,600. The church is under the pastoral care of the Rev. John Gray.

The Wesleyan Methodist Church, the smallest of the three, was built in 1838, of frame. Rev. Thomas Feathers pastor, and Rev. James Woodsworth, assistant.

There is also a Roman Catholic Church a short distance from the village, on the Coldwater Road. The priest, Rev. Mr. Campbell, resides in Mara.

There is a good Common School, with an average attendance of 100 scholars; D. M. Malloch, teacher, and Miss Hunter assistant. Mrs. King also conducts a select school at her residence.

The Sons of Temperance have a fine hall in the village. Orillia Division, No. 123, meet on every Tuesday evening. The officers are James Jackson, M. P., and J. C. McMullen, R. S. The hall, which is 60 × 24 feet, is also used for various purposes, municipal and otherwise. The Loyal Orange Lodge, No. 296, hold their meetings the first Thursday in every month. A. Kerr master, R. Jones secretary.

Orillia is supplied with three excellent hotels, being in accommodation and comfort fully equal to any hotels in Canada West. The "Temperance Hotel," situated on the lake, has lately been enlarged. From the balcony, which is built on the top of the roof, 16 × 30 feet, a beautiful view is obtained of the lake, Orillia, and the surrounding scenery.

The "Stafford House" is a fine new building, also near the lake. This hotel, when completed, will be one of the largest hotels in Canada, and for elegance of design and interior fitting up it is second to none.

In the centre of the village Mr. Rose is conducting a good hotel, called the "Orillia House." The traveller need only give him a call to satisfy himself of the excellence of his house.

There are about 21 stores, some of them fully equal to the retail establishments of much larger towns. Amongst the most prominent may be noticed that of the firm of Mulcahy & Cashman, O'Brien & Co., Cockburn's Montreal store, John World's general store, Thos. Goffatt agent Hon. Hudson's Bay Company and general men's mercer and millinery establishment, Wesley Bingham also carries on the grocery trade, in connection with the tinsmithing business.

Blacksmithing is extensively carried on in all its branches by Wm. Ramsay and Wm. Tudhope.

Mr. Samuel Wainwright carries on an extensive tannery, turning out from 1,500 to 2,000 sides per year. He uses a steam engine of six horse power, and employs four hands.

The 6th Division Court is held here, Mr. Thomas Dallas, clerk.

There are two steamboats for freight and passengers, the "Emily May" and "Ida Burton," also a tug boat, "the Victoria," on Lake Simcoe. As before mentioned, the small steamer "Fairy" plies between Orillia and the Severn three times a day.

A volunteer company has also been lately organized. The officers are H. M. Darling, Captain; J. W. Slaven, Lieutenant; T. C. Noble, Ensign; John C. McMullen, Color Sergeant; George Tite and John Leitch, Sergeants.

There is a branch of the Provincial Lunatic Asylum in this village. It was originally built for a hotel, and was purchased by Government before finished as such, consequently it necessarily has many errors in its construction for a Lunatic Asylum. The superintendent and Mr. Kivas Tully, the Architect, deserve considerable credit for altering and adapting it to the purpose. The building, which is built of brick and heated by steam, is three stories high with attic, and presents a centre and two projecting wings, front 118 feet. The wings of the building project 15 feet, leaving a space in the centre of 68 feet; between the projections are verandahs 10 feet wide, divided so as to separate male and female patients, who number about 140, the fronts being railed in with iron rods. In summer these verandahs add greatly to the tranquil pleasure of the patients, the view being extensive and varied, taking in the village, lake, and islands.

The general effect of the building is dignified and imposing; it is situated on Lake Couchiching. The officers are John Ardagh, M.D., M.R.C.S., superintendent; E. Fraser, clerk; George Budget, Steward; Miss Jane Douglas, matron; besides seven or eight keepers, male and female.

The rise and progress of Orillia has hitherto been necessarily slow, from the fact of (until recently) there being an immense amount of country to the north unsurveyed and unimproved. The opening up of roads for nearly 100 miles north has given the village a wonderful impetus. The enterprising firm of Cockburn & Co. have built the steamer 'Wenonah' on Muskoka Lake, and others also contributed materially to the advancement of the northern section of country, which assists to make Orillia a flourishing village. The citizens expect their village to be selected as the site for the new county town, and are also in anticipation of having telegraph communication with Barrie and Toronto. Quite a number of pretty villas are situated in and about this village. Population 1000.

MISSISSAGA STREET, ORILLIA, C.W.

ORILLIA.—This romantic and picturesque village is situated on Lake Couchiching, in the Township of Orillia, in a fine, healthy section of country, alike celebrated for its lovely scenery and its excellent fishing and sporting grounds. The tourist, wishing to extend his route to the far-famed Muskoka Lake, with its wild and rugged scenery and picturesque falls, will leave the "Emily May" at this point, and take the steamer "Fairy," which runs daily during the summer for the Severn river, touching at the Indian village of Rama and McPherson's Landing. At the Severn, stages are taken to Muskoka Bay, where connection is made with the steamer "Wenonah" (A. P. Cockburn, proprietor,) for the celebrated Muskoka Lake. A stage also runs summer and winter for the falls, twice a week.

Orillia, in 1831, was an Indian Settlement. The British Government during that year made a treaty with the Chippewas for a village site on the same spot, and at once built a Council Room, an Episcopal Church, a School-house, and about sixteen log houses, and a larger and more substantial house of the same material for the chief's private residence. The chief, William Yellowhead, died about a year ago, and is buried in the Episcopal churchyard. The old house is now, after great alterations and improvements, used as the Episcopal Parsonage.

In 1838, a petition was made by the whites for a landing, which was granted, and in 1839 a second petition was forwarded to the Government, requesting the removal of the Indians to Rama, in Ontario County. This was also granted, and a village was built for them, a church, school-house, and other requirements. Thus the whites remained in entire possession of the present site of Orillia.

Gerald Alley, Esq., was the first white settler. In 1835, only six white families resided in the village, viz., Robert Bailey, Andrew Moffatt, Neil Morrison, Michael Bowers, Jacob Gill, and John Rowe, storekeeper. Robert Bailey, Neil Morrison, Andrew Moffatt, and Michael Bowers, are the oldest settlers living here now.

About the year 1835 the Post Office was established, Gerald Alley, Esq., being appointed postmaster, the mail having been carried previously from Barrie, a distance of 28 miles, by one Thomas McCausland.

Orillia contains three Churches. The Episcopal church is a handsome edifice of stone, the interior of which, with its stained windows and arched roof, has quite an imposing effect. Rev. A. Stewart, M.A., Rector.

The Canada Presbyterian Church is built of frame, at a cost of $2,500, and opened in March, 1852. This is also a neat and commodious building, with a comfortable manse adjoining it, which cost about

$1,500. The church is under the pastoral care of the Rev. John Gray.

The Wesleyan Methodist Church, the smallest of the three, was built in 1838, of frame. Rev. Thomas Feathers pastor, and Rev. James Woodsworth, assistant.

There is also a Roman Catholic Church a short distance from the village, on the Coldwater Road. The priest, Rev. Mr. Campbell, resides in Mara.

There is a good Common School, with an average attendance of 100 scholars, D. M. Malloch, teacher, and Miss Hunter, assistant. Mrs. King also conducts a select school at her residence.

The Sons of Temperance have a fine hall in the village. Orillia Division, No. 122, meet on every Tuesday evening. The officers are James Jackson, M.P., and J. C. McMullen, R. S. The hall, which is 85 × 24 feet, is also used for various purposes, municipal and otherwise. The Loyal Orange Lodge, No. 296, hold their meetings the first Thursday in every month; A. Kerr, master, R. Jones, secretary.

Orillia is supplied with three excellent hotels, being in accommodation and comfort fully equal to any hotels in Canada West. The "Temperance Hotel," situated on the lake, has lately been enlarged. From the balcony, which is built on the top of the roof, 16 × 30 feet, a beautiful view is obtained of the lake, Orillia, and the surrounding scenery.

The "Stafford House" is a fine new building, also near the lake. This hotel, when completed, will be one of the largest hotels in Canada, and for elegance of design and interior fitting up it is second to none.

In the centre of the village Mr. Ross is conducting a good hotel, called the "Orillia House." The traveller need only give him a call to satisfy himself of the excellence of his house.

There are about 21 stores, some of them fully equal to the retail establishments of much larger towns. Amongst the most prominent may be noticed that of the firm of Mulcahy & Cashman, O'Brien & Co., Cockburn's Montreal store, John World's general store, Thos. Goffatt, agent Hon. Hudson's Bay Company and general men's mercer and millinery establishment; Wesley Bingham also carries on the grocery trade, in connection with his tinsmithing business.

Blacksmithing is extensively carried on in all its branches by Wm Ramsay and Wm Tudhope

Mr Samuel Wainwright carries on an extensive tannery, turning out from 1,500 to 2,000 sides per year He uses a steam engine of six horse power, and employs four hands

The 6th Division Court is held here, Mr Thomas Dallas, clerk.

There are two steamboats for freight and passengers the "Emily May" and "Ida Burton," also a tug boat, the "Victoria," on Lake Simcoe. As before mentioned, the small steamer "Fairy" plies between Orillia and the Severn twice a day

A volunteer company has also been lately organized. The officers are H M Darling, Captain, J W Slaven, Lieutenant, T C Noble, Ensign, John C McMallen, Color Sergeant, George Tite and John Leitch, Sergeants.

There is a branch of the Provincial Lunatic Asylum in this village. It was originally built for a hotel, and was purchased by Government before finished as such, consequently it necessarily has many errors in its construction for a Lunatic Asylum The superintendent, and Mr Kivas Tully, the Architect, deserve considerable credit for altering and adapting it to the purpose The building, which is built of brick and heated by steam, is three stories high, with attics, and presents a centre and two projecting wings front 118 feet. The wings of the building project 15 feet, leaving a space in the centre of 68 feet, between the projections are verandahs 10 feet wide, divided so as to separate male and female patients, who number about 140, the fronts being railed in with iron rods. In summer these verandahs add greatly to the tranquil pleasure of the patients, the view being extensive and varied, taking in the village, lake, and islands

The general effect of the building is dignified and imposing, it is situated on Lake Couchiching The officers are John Ardagh, M D, M R C S, superintendent, F Fraser, clerk, George Badger, Steward, Miss Jane Douglas, matron, besides seven or eight keepers male, and ten female

The rise and progress of Orillia has hitherto been necessarily slow, from the fact of (until recently) there being an immense amount of country to the north unsurveyed and unimproved The opening up of roads for nearly 100 miles north has given the village a wonderful impetus. The enterprising firm of Cockburn & Co. have built the steamer "Wenonah" on Muskoka Lake, and otherwise contributed materially to the advancement of the northern section of country, which assists to make Orillia a flourishing village. The citizens expect their village to be selected as the site for the new county town, and are also in anticipation of having telegraph communication with Barrie and Toronto. Quite a number of pretty villas are situated in and about this village. Population 1000.

COLDWATER.—A post village of the Township of Medonte, is situated on the Coldwater River, about a mile from Georgian Bay which takes its rise in the Township of Medonte. The village was originally occupied by Indians, under the superintendance of Captain Anderson. Among the earliest settlers were Captain Borland William Lavering, John Canning, and Jacob Gill. The river was called Coldwater on account of the excellence of its waters. The facilities for manufacturing are very good; at present there is one fine saw mill and grist mill, Geo Caswell proprietor. There are two stores; a post office; two churches, viz., Episcopal and Methodist; one public school, and an Orange Lodge, No. 667.

Within a short distance of the village is a fine residence, called "Cockburn House" noted for its architectural beauties. Coldwater is 30 miles from Barrie, and 15 from Orillia. Mails tri-weekly. Population about 300.
